Portfolio

PROFESSIONAL SUMMARY

AI graduate from Umm Al-Qura University (GPA 3.69/4.0) specializing in deep learning and computer vision. Built a DeepFake Detection System (AUC 0.84 · F1 0.92 · Recall 96.9%) on the DFDC benchmark. Seeking AI/ML engineering roles.

EDUCATION

B.Sc. in Artificial Intelligence — Umm Al-Qura University, Makkah

May 2022 – Jun 2026

GPA: 3.69 / 4.0 · Relevant: Deep Learning · Computer Vision · NLP · Neural Networks · DSA · Python

TECHNICAL SKILLS

Languages	Python · Java · MATLAB
ML / DL	TensorFlow · Keras · PyTorch · Scikit-learn · OpenCV · Grad-CAM · XceptionNet · RetinaFace
Frameworks	Flask · Gradio · FastAPI · Streamlit · LangChain
Data & Tools	Pandas · NumPy · Matplotlib · Git · Google Colab · Jupyter · VS Code
Specialties	Computer Vision · Transfer Learning · Model Explainability · RAG Systems · OCR

PROJECTS

DeepFake Detection System

Sep 2025 – Jun 2026

Graduation Project · XceptionNet · RetinaFace · Grad-CAM · TensorFlow · Gradio

- End-to-end pipeline: frame extraction → face detection → XceptionNet classification → Grad-CAM heatmaps.
- AUC 0.84 · F1 0.92 · Recall 96.9% · Accuracy 86.1% on DFDC benchmark (148K+ images).
- Deployed Arabic RTL Gradio web app; cross-dataset generalization via replay strategy.

Employee Emotion Detection

Sep – Dec 2024

Academic Project · XceptionNet · FER2013 · TensorFlow · OpenCV

- Trained XceptionNet on 10K FER2013 images with augmentation and LR scheduling; exceeded baseline accuracy.

EXPERIENCE

AI Automation Intern

Mar – Jul 2025

Saudi Engineering Group International (SEGI) · Cooperative Training

- Built OCR pipelines (Python + Tesseract) to digitize engineering files, cutting manual processing time by ~40%.
- Developed data-processing scripts to validate and organize documentation across engineering divisions.

CERTIFICATIONS · LANGUAGES · SOFT SKILLS

■ ML Specialization – Stanford / DeepLearning.AI	Arabic — Native	Problem Solving · Team Collaboration
■ Deep Learning Specialization – Andrew Ng	English — Proficient	Technical Writing · Critical Thinking
		Time Management · Adaptability
